This office letter Rc.No.15197/53/A1 dated 23-8-54

The Department does not consider that any variation of schedule III of the Central Ward Town Planning Scheme is necessary consequent on the variation proposed to schedule V of the scheme in respect of road D1D1 since the basic idea behind the proposal is only to drop the acquisition of T.S.No.116/30, while preserving the alignment of the projected road as already conceived in this scheme.
